I enclose for Credit

Your long delay has made a great difference as to my buying most of the coins. Last week I bought a large number which I would not have bought had I known you were going to send some latter in the week. Some of the coins I would like to have, but they are too high priced.

Return coins and draft for difference.

Draft for $1.50 and $79 returned.

Will send latter for others.

Respectfully
William C. Tyson.

I enclose for Credit

I return all half dimes and the 1864 3¢ silver and 1796 $1 silver.

Mr. Fox will take the 1864 3¢ silver just as soon as you can give the 1865. Send me 1865 3¢ silver also, 1840 drapery and 1867 dimes.

Next week I will send for coins again and hope I give a good order.

Respectfully
William F. Tyson.

P.S.

The silver dollar was too fine a specimen for Mr. Fox. He just wanted one to complete a series of dates
